

**Learning Objective: To find the missing number in the subtraction sums to 20**

Name \_\_\_\_\_

Date \_\_\_\_\_

Find the missing number in the subtraction sums.

$20 - \square = 14$

$14 - 5 = \square$

$16 - \square = 13$

$\square - 3 = 2$

$12 - 9 = \square$

$14 - \square = 14$

$19 - 3 = \square$

$\square - 6 = 2$

$20 - 7 = \square$

$17 - 8 = \square$

$18 - 4 = \square$

$\square - 1 = 5$

$14 - 12 = \square$

$20 - 19 = \square$

$13 - \square = 9$

$20 - \square = 10$

$\square - 1 = 8$

$14 - 7 = \square$

$11 - 5 = \square$

$\square - 12 = 1$
